PROFILE

I am a graduate with a Bachelor's degree in Computer Science and a strong interest in cloud computing. I have gained knowledge in cloud infrastructure management and have experience working with AWS, DEVOPS. During my studies, I worked on several projects, including designing and deploying a scalable web application using AWS EC2 and S3. I am a quick learner, adaptable, and eager to contribute to a dynamic team. I am seeking an opportunity to leverage my skills and gain hands-on experience in cloud engineering.
